# Optional Equipment

# For Rover Cars

---

The range of optional equipment listed in this catalogue has been selected with care, to give the owners of Rover Cars an opportunity to select their accessories from an intelligently chosen, stylish and quality proven range of equipment.

Before any piece of equipment is allowed to appear in these pages, it must first demonstrate that in terms of design and quality, it is equivalent to the motor car for which it has been chosen. The immediate consequence of this policy is that Rover owners have an assurance that any accessory they may select will match their car perfectly.

The right is reserved to alter the prices without notice.

---

**For Export Prices ask your local Distributor or Dealer.**

**The accessories listed in this catalogue which are supplied through your local Distributor or Dealer do not include fitting charges,**

**Every precaution has been taken to ensure the accuracy of this catalogue, but the Company accepts no liability for errors or omissions.**
